Ibrahim Ulucan

Data Scientist || GIS Software Specialist
Lausanne, Vaud, Switzerland

Summary

Interest in GIS software, Research, AI Applications.

All my professional and educational life, I have had many
opportunities to work in many different countries in a multinational
environment for more than 10 years. Meanwhile, I am always
enthusiastic about continuing to improve myself in the field of "Data
Science" by keeping in touch with the academic environment.

Experience

Idiap Research Institute
Research Assistant
December 2023 - Present (1 year 11 months)
Switzerland
